

CALL FOR PERMANENT COMMITTEE MEMBERS

The Current Research in Egyptology (CRE) Permanent committee is looking to recruit up to 3 new members from June 2018, one of whom will act as webmaster. This is a great opportunity to be involved with the CRE conference, and to make a difference to the future of the series.

The Permanent Committee's role is to give guidance to the conference committee, and address any general issues relating to the future of the conference or its guidelines. Members serve for two years and the Committee Chair for 2018-2019 will be Dr. Ilaria Incordino (University of Naples "L'Orientale"). The general committee roles (x 2) require experience with conference organisation, good communication and team work. The webmaster role (x 1) requires experience with website hosting and duties include: maintaining efficient running of the CRE website (Wordpress) and updating the website and Facebook page as requested by the Permanent Committee and Hosting Committees.

If you are interested in joining the committee, we ask that you email the CRE Permanent Committee by **June 24th 2018**, with a brief statement of why you would like to be a member of the committee and any experience you have that you feel would be useful. These will be distributed to the attendees of the CRE 2018 conference AGM in Prague. New members will be voted in at this AGM.

Statements should be emailed to: crepermanentcommittee@gmail.com

Looking forward to seeing you all at CRE 2018 in Prague!
